ARE YOU ONE OF THE MILLIONS OF AMERICANS WHO LOOKS TO ALTERNATIVE OR HOLISTIC CARE IN LIEU OF STANDARD ALLOPATHIC CARE? Our membership is built to fit our member's overall needs. We are obsessed with empowering our members with superior solutions for the modern day life. **Secure** is an Alternative medicine friendly Health Care Solution powered by Zion Health, this provides the medical cost sharing portion of the program. Members enjoy the freedom, flexibility, and stability of community medical cost sharing while saving 40-60% off from what traditional health insurance would cost.

MEDICAL COST Sharing

AN ORGANIZED WAY TO SHARE IN ONE ANOTHER'S MEDICAL BURDENS.

EVERYONE ACCEPTED: We do not decline anyone for prior medical conditions or religious beliefs.

SHARE MEDICAL COSTS: We share each others medical costs as a community of like minded individuals.

HEALTHY LIVING: We encourage healthy living within our community which helps us all.

ATTENTIVE TO NEEDS: We process medical needs quickly for our Members, often within 5 business days.

GAIN FREEDOM: Our members can work with any provider without network restrictions.

NO ANNUAL CAPS: Our sharing program does not have annual or lifetime caps on your need request.

WORLDWIDE: Share in a medical costs when on a vacation or serving a mission outside the USA.

GUIDELINES

Initial Unshared Amount (IUA) Options – Choice of

\$1000, \$2500, or \$5000.

Maximum Number of IUA's Annually – 3 per membership unit

Medical Supplies -

Medical supplies directly aid in the treatment or recovery of a shareable medical need and generally shareable within 120 days of the treatment start date as prescribed by a licensed medical provider. Supplies costs need to be over \$100 to be shared. Zion Health will share in the retail or fair costs when applicable and encourage members to utilize alternative vendors such as local pharmacy or medical supply stores.

Prescription Drugs -

Prescriptions for medication(s) that are billed by a provider and are related to a qualified Need are also considered shareable. With your Medical Cost Sharing providers approval, large prescription costs associated with a Need that are filled at the pharmacy can be shared. Does not include maintenance medications.

Pre-Existing Conditions-

24-month look-back: no coverage for the first 12 months; \$25K 2nd year; \$50K 3rd year; \$125K 4th year and beyond. (Exceptions for High Blood Pressure, High Cholesterol & Diabetes)

Maternity Benefits -

Two Initial Unshareable Amounts (IUA's) are applied to a single maternity need. Any prebirth or post birth need of the child will be considered a separate need from the mother's maternity care. Pregnancies are considered pre-existing if the pregnancy start date is within the first 60 days of the membership effective date.

Therapies - Physical

Therapy - Shareable for inpatient treatment/up to 35 outpatient sessions per need. Speech Therapy - Shareable in relation to an illness. injury or accident/up to 35 outpatient visits per condition. Occupational Therapy - Shareable for inpatient treatment and up to 35 outpatient sessions per need, up to \$7,500. Therapeutic Massage Therapy -Shareable if prescribed by a licensed medical provider related to a shared need, up to 25 sessions and up to \$3.000.

Alternative Care

Treatment - Alternative medical treatments can be shared with the Medical Cost Sharing community. These alternatives generally should be considered safe and effective while being an alternative to a traditional treatment plan. Needs may be considered shareable pending prior written approval by your Medical Cost Sharing provider. Member is required to demonstrate the proposed value of the alternative treatment.

End of Life Assistance -

For a Member. and/or his or her dependents, who die(s) after two years of uninterrupted Membership as a Sharing Member, financial assistance to the surviving family will be provided by the Members according to the following schedule, upon receipt of a copy of death certificate. and as listed on the Member enrollment. \$10.000 Primary Member, \$10,000 Dependent Spouse, \$2500 Dependent Child.

Tobacco Use - Medical needs for tobacco users age 50 and older are limited to \$50,000 for each of the following four disease categories: Cancer, Heart conditions, COPD and Stroke.

Sharing Limits - No annual or lifetime limits unless restricted by a preexisting condition.

THREE SIMPLE

Responsibility Options:

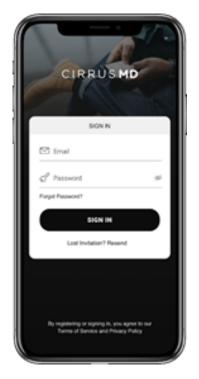

\$1,000 IUA \$2,500 IUA \$5,000 IUA

The Initial Unsharable Amount (IUA) is the personal responsibility of the member for their medical needs. All qualified medical expenses after the IUA is met are shareable with the Medical Cost Sharing community. The higher IUA you choose, the lower your monthly contribution.

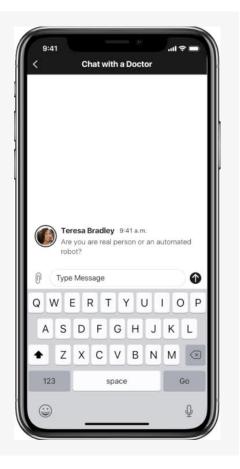

TELEHEALTH

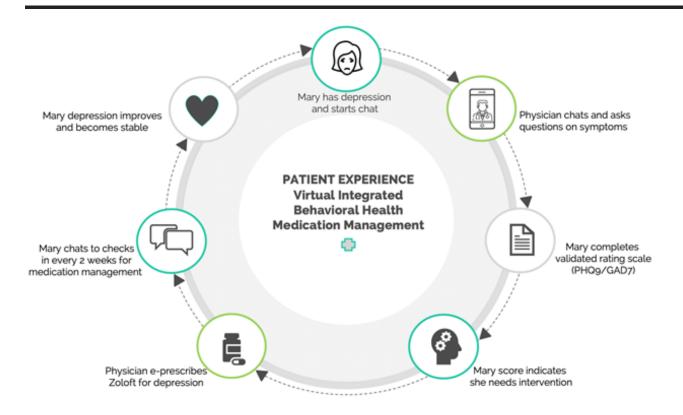

As easy as texting a friend, members may access our multi-specialty, licensed physicians (not a bot) on their own time, whenever and wherever. Through a convenient web and mobile experience, members are free to text directly with our providers to get the answers they need, including access to additional support.

VIRTUAL CARE BUILT TO BE AN **EXPERIENCE**, NOT AN ENCOUNTER

Enable seamless, virtual connections with our dedicated team of boardcertified physicians and specialists that goes beyond traditional urgent, emergent, and primary care to deliver robust and integrated care. The solution will be accessible via secure text (with image share, phone, and video available) 24/7 and 365 days per year in all 50 states.

INTEGRATED BEHAVIORAL HEALTH

Integrated behavioral model using a team of multi-specialty clinicians to assess, diagnosis, treat, or coordinate a referral. Using evidencebased best practices to implement measurement-guided care plans for both medication management and evidence-based therapy for the now issues.

RESHAPING VIRTUAL BEHAVIORAL HEALTH BY:

Integrating a multispecialty care team of primary care specialists, therapy, and psychiatry.

Providing on-going access to care or relapse concerns.

Psychosocial and medication interventions.

Customized clinical playbook with navigation for in-network referrals.

MPB CONCIERGE TEAM

A TEAM OF DEDICATED AGENTS THAT WILL HELP MEMBERS NAVIGATE THE HEALTHCARE SYSTEM AND RECEIVE THE BEST CARE POSSIBLE. Most insurance agents feel that their job is done when the sale is made, they turn the service over to the insurance company and force you to navigate the dynamics of healthcare. THAT is not how we operate! This is when our job actually begins, our focus is holding your hand every step of the way through your healthcare journey. No question is too small or too large. We will work on finding the best possible outcome at the lowest possible price for every healthcare need you have.

MAKING YOUR LIFE EASIER

NAVIGATION & NEGOTIATION

When an in-person visit is necessary, our Concierge Team provides navigation and research to find high quality, fair price providers. They also provide price verification and negotiation for services under \$5k.

MORE BENEFITS

Pharmacy Benefit Plan

HIPAA Compliant International & multi-platform support. Our program searches six U.S. platforms, the World Drug Market and Pharmacy Assistance programs for the best solution for each of our members.

- The Pharmacy Benefit Plan gives you the real prices (aka we skip the "markups and fees" part) on your prescriptions and tells you the pharmacy where you can get them.
- Enter your prescription information into our search engine and we will give you a list of your local pharmacies and the cost of your prescription at each location.
- Look through your list of options and decide which is the best pharmacy for you.

- Keep a full history of your prescriptions, so you can see what medication you have taken, and when.
- Access to any and all Manufacturer Savings Programs, Patient Assistance Programs and other savings and discounts offered by pharmaceutical manufacturers.
- For more expensive medications we have resources who can get medications overseas to our members at a better cost. They help with high cost maintenance meds like insulin, medicated creams, and asthma inhalers.

Personal Medical Records Vault

FSecure and accessible emergency profile and personal health records. Members can grant access to their Electronic Medical Records to practitioners, providers, facilities, etc. providing continuity of care.
